

CV Services

There are a number of ways you can work with us to make your CV stand out depending on the level of support you require and the type of role you are seeking.

If you have any questions about what is right for you, please don't hesitate to email at amanda@wearereadytorise.com so we can discuss further. We also recommend letting us know in advance if you have a specific timescale in mind for your CV so we can be sure that there is the capacity to work to your deadline.

CV Review - £99

A 60-minute Zoom call where we review your current CV and make recommendations for changes. A template and worked examples are included so you can make the changes yourself after the call. We also include a final review of your updated CV via email. This is for you if you are confident in updating your CV but need some expert support.

CV Writing – ‘Done with you’ service

This package provides a complete rewrite of your existing CV.

Prices range from £199 for non-professional/managerial roles up to £550 for senior level leadership positions (Senior Director/CEO). All prices include VAT.

For all CV writing services we will ask you to send across your current CV if you have one (or you can complete an initial questionnaire if you don't) which is followed by an online consultation via Zoom so we can fully cover your experience, skills and achievements and find out more about the roles you are applying for.

We then use this information to write a bespoke CV which is tailored to the role you wish to apply for including keyword optimisation. The draft CV will be sent for your review with a final remote Zoom call to get your document ready for sign off.
