

Career & Leadership 1:1 Coaching packages

Off the shelf or bespoke, it's about what you need to take control of your career and development

We offer a range of 1:1 coaching packages together with bespoke programmes designed around what you need to grow your career

Get clear on your career - £250

You know that you are after something different. But what this looks like and how you get there is another story

- Two bespoke 60 minute 1:1 coaching sessions over Zoom at times to suit you where you get to explore what's possible and plan actions for what comes
- Email support in between sessions so you can maximise your investment

Book your call to discuss here

Please note that this is a self-funded price (if you are paying for your own coaching). If you are seeking support for someone in your organisation, get in touch for packages and rates at amanda@wearereadytorise.com

Path to career success - £600

This is the package if you already know what you want but you need space to finesse and map out your action plan.

- Four bespoke 60 minute 1:1 coaching sessions over Zoom at times to suit you where you get to explore what's possible and plan actions for what comes
- Email support in between sessions so you can maximise your investment
- Includes a CV review and one-off interview coaching session to be used as required

Please note that this is a self-funded price (if you are paying for your own coaching). If you are seeking support for someone in your organisation, get in touch for packages and rates at amanda@wearereadytorise.com

Rising to lead

You are on your way to your first leadership role or making a move towards senior leadership levels. 1:1 coaching is designed to support you on your leadership journey so you can maximise your potential.

- Choose from a range of 3- and 6-month leadership coaching packages based on a personalised plan
- Includes EDISC behavioural profile

The first step to getting started is a consultation call. We will have a chat about how we can work together and the outcomes that you would like to achieve from leadership coaching.
